Review report to the Board of Directors of AstraZeneca Pharma India Limited

We have reviewed the accompanying statement of unaudited financial results of AstraZeneca Pharma India Limited ("the Company") for the period ended 30 June 2012 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Without qualifying our opinion, we draw attention to note 7 in the financial results for the quarter ended 30 June 2012 wherein it is stated that a foreign national, was appointed as whole time director during the previous year. The appointment and remuneration payable to the director is subject to the approval of the Central Government. The Company, in the previous year, had filed an application with the central government for said appointment and remuneration payable.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
