Dear Shareholder

On behalf of the Board of AstraZeneca PLC (the Company), I am pleased to confirm that the Annual Report and Form 20-F Information 2018 (the Annual Report) has now been published, as well as the Notice of Annual General Meeting 2019 and Shareholders’ Circular (the Notice of AGM).

What you should have received
If you have previously requested paper copies of these documents, you will find paper copies enclosed. If you have previously elected to receive these documents via the AstraZeneca website, you can now access the Annual Report at www.astrazeneca.com/annualreport2018 and the Notice of AGM at www.astrazeneca.com/noticeofmeeting2019.

Everyone who receives a hard copy of this document will also find enclosed a proxy card.

An ‘at a glance’ summary of the Company’s performance during 2018 is included on pages 2 and 3 of this document. Useful information for shareholders is set out on page 4.

Communicating with you
I would urge shareholders who currently receive communications from the Company in hard copy to consider opting to receive all future information from the Company in electronic format. There are clear environmental benefits and cost savings arising from reduced paper usage, printing and distribution if you do so.

You can elect to receive shareholder communications in electronic format by registering your details at www.shareview.co.uk and electing for e-communications. Whenever shareholder communications are published, we will send you an email with a link to the information on the AstraZeneca website.

Yours faithfully

Leif Johansson
Chairman
14 March 2019

Important information
This document contains certain statements extracted from the Annual Report and Form 20-F Information 2018 (Annual Report) for AstraZeneca PLC that are neither reported financial results nor other historical information. These statements are forward-looking statements, including within the meaning of the United States Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those disclosed in our forward-looking statements. For a description of factors that could affect future results, reference should be made to the full ‘Cautionary statement’ on page 244 of the Annual Report and to the section entitled ‘Risk’ on pages 220 to 230. This information is provided solely for the convenience of current and future members of the Company and is not intended to satisfy any statutory and/or regulatory requirements in the UK or elsewhere. Accordingly, it should only be read in conjunction with the Annual Report. The Company, its subsidiaries, Directors and officers shall not be liable for the consequence of any action taken solely in reliance on the information contained in this document.
Our strategic priorities
Reflect how we are working to achieve our Purpose

1. Achieve Scientific Leadership
2. Return to Growth
3. Be a Great Place to Work

A science-led innovation strategy
Distinctive R&D capabilities:
Small molecules, oligonucleotides and other emerging drug platforms, as well as biologic medicines, including immunotherapies, and innovative delivery devices

AstraZeneca at a glance
A global science-led business delivering medicines to patients through innovative science and excellence in development and commercialisation.

Our Purpose is to push the boundaries of science to deliver life-changing medicines. We want to be valued and trusted by our stakeholders as a source of great medicines over the long term.

Oncology
Our ambition is to push the boundaries of science to change the practice of medicine, transform the lives of patients living with cancer, and ultimately eliminate cancer as a cause of death

Cardiovascular, Renal and Metabolism
As science uncovers commonalities between cardiovascular, renal and metabolic diseases and their associated complications, we aim to transform how they are understood and treated

Respiratory
Our research focuses on the underlying causes of respiratory diseases, using new modalities to pursue previously hard-to-reach targets, with the ambition of achieving remission or even cures for patients

Other Disease Areas
We are also selectively active in the areas of autoimmunity, neuroscience and infection

Dividends and other important information for shareholders

**Dividend payment and dates**
The record date for the second interim dividend for 2018, payable on 27 March 2019, was 1 March 2019. The ex-dividend date was 28 February 2019. The record date for the first interim dividend for 2019, payable on 9 September 2019, is 9 August 2019 and the ex-dividend date is 8 August 2019. Future dividends will normally be paid as follows:

First interim: Announced in July/August and paid in September. Second interim: Announced in January/February and paid in March.

Shareholders holding Ordinary Shares directly may opt for dividends to be paid straight to their bank or building society account, rather than being paid by cheque. To elect for this swift and secure method of payment, contact the Ordinary Share registrar, visit Shareview using the link provided below, or fill in and return the mandate form sent to you with your AstraZeneca dividend cheque.

**Results**
Unaudited trading results of AstraZeneca in respect of the first three months of 2019 will be published on 26 April 2019 and results in respect of the first six months of 2019 will be published on 25 July 2019.

**Shareview**
Holders of Ordinary Shares may create a portfolio at www.shareview.co.uk to view and manage their AstraZeneca shareholding. Shareview is a free and secure online service provided by the Ordinary Share registrar that allows users to, among other things, update personal details, manage communication preferences, view dividend information and manage direct dividend payments.

**ShareGift**
Shareholders that hold only a small number of shares, the value of which makes it uneconomical to sell them, may wish to consider donating them to charity through ShareGift, an independent charity share donation scheme (registered charity number 1052686). Further information about ShareGift can be found on its website at www.sharegift.org or by calling +44 (0)20 7930 3737.

**The Unclaimed Assets Register**
AstraZeneca provides information to the Unclaimed Assets Register (UAR) relating to unclaimed dividends paid on Ordinary Shares. The UAR database provides a facility to search for financial assets that may have been forgotten and can be contacted on +44 (0)333 000 0182 or uarenquiries@uk.experian.com.

**Shareholder fraud warning**
Shareholders of AstraZeneca and many other companies have reported receiving unsolicited calls and correspondence relating to their shareholdings and investment matters. Shareholders are advised to be very cautious of any unsolicited approaches and to note that reputable firms authorised by the Financial Conduct Authority (FCA) are very unlikely to make such approaches. Such approaches are likely to be part of a ‘boiler room scam’ attempting to defraud shareholders.

Shareholders are advised to familiarise themselves with the information on scams available on the FCA website www.fca.org.uk/consumers and within the FAQ in the Investors section of AstraZeneca’s website, www.astrazeneca.com.

Any suspected scams or fraudulent approaches should be reported to the FCA via its website and to AstraZeneca’s Ordinary Share registrar, using the contact details on this page.
